

An Introduction to MSD Aquaculture

The Science of Healthier Animals

Merck Animal Health

Our Vision

To become the leading force in delivering new and valuable animal health products and solutions

Our Mission

Building on our rich science credentials we work closely with our veterinary and industry partners to develop and market innovative, integrated animal health platforms.

Our Standards

We work as a team with our customers,

We deliver products and solutions,

We are scientific leaders,

We drive progress,

We are accountable and professional.
